

Dear colleagues,

It is our pleasure to circulate the first announcement of "Call for Papers" for **the 12th International Symposium on Feedstock Recycling of Polymeric Materials (ISFR 2024)**. The followings are specific information on the conference.

Venue: GRAND JOSUN Hotels & Resort in Jeju, Korea

Dates: Oct. 21-23, 2024

Website: <http://isfr2024.kr>

The procedures for attending ISFR 2024 are as follows.

- 1) Submission of Presentation Proposal
- 2) Submission of Abstract
- 3) Registration
- 4) Attendance

Detailed information on the procedure is provided on the ISFR 2024 website.

Important deadlines are as follows.

- 1) 21 June 2024: Presentation Proposal**
- 2) 23 Aug. 2024: Abstract Submission**
- 3) 13 Sept. 2024: Early Bird Registration**

The committee are seeking individuals to participate in the conference for the following tracks:

Policy, LCA, TEA

Management of waste polymeric materials & biomass

Feedstock recycling policy (Legislation) & Wbioenergy policy (Legislation)

LCA for waste polymeric materials & biomass energy

Techno-economic analysis (TEA) of feedstock recycling processes & biomass conversion processes

Pretreatment, Other treatment methods, Analytical Methods

Pretreatment of waste polymeric materials & biomass

Sorting of waste plastics

Mechanical Recycling

Analytical Methods

Conversion Technologies

Pyrolysis of waste polymeric materials & biomass

Gasification of waste polymeric materials & biomass

Solvolytic (or chemical depolymerization) of waste plastics

Hydrogenation, Biological conversion, etc.

Biological and chemical conversion

Upgrading & Utilization

Products of pyrolysis, gasification, & biological conversion of waste polymeric materials & biomass

Special scope in ISFR 2024

Conversion technologies using unconventional energy sources such as plasma and microwave energy

Marine waste plastics and microplastics (Policy, LCA, Conversion technologies, etc.)

WEEE plastics (Policy, LCA, Conversion technologies, etc.)

Please disseminate this Call-for-Paper to your colleagues who may be interested in participating in this conference. We look forward to meeting you in Jeju, an island with unique culture and beauty located at the southernmost tip of Korea,

Sincerely yours,

Prof. Joo-Sik Kim
